

ATB 30 Day Fun Challenge Winter Edition - FAQs

1. Q: Do I email you every time I complete a challenge?

A: Click [here](#) to download our challenge tracker worksheet. Submit the tracker sheet to alewis@bayrace.com between Feb 1 – noon Feb 7 to be eligible for final draw prizes. Participants will be entered into grand prize draws for completing 5, 10, 15, 20, 25, and 30 challenges. Please do not send your tracker sheet until after the challenge is over.

2. Q: Am I eligible for the daily prize draw because I post on your social media channels.

A: We love seeing your pictures, comments, videos, etc on social media. They help to inspire and support others. We hope you will share your challenge experience with us throughout this 30 day journey. In the spirit of inclusivity, everyone officially registered is eligible for the daily prize draws whether they post on our social media channels or not.

3. Q: Am I supposed to get a daily email with the challenges?

A: Daily challenges are posted on our website at BayRace.com and on our social media channels shown below. Daily emails will **not** be sent to you with the challenges.

4. Q: If I modify the challenge a little bit, does it still count?

A: This program is based on the honour system. This challenge is for you to enjoy and have fun, to promote physical activity, and encourage overall wellness. If you are satisfied that your modified activity was fair and in the spirit of the challenge, and feel it should count, then count it.

5. Q: If I win a daily prize draw, am I still eligible for other daily draws.

A: Yes, every registered participant is eligible for each daily draw regardless if they won a prize already.
